

AUDIT SEMI-SENIOR

Corrigan is a dynamic and highly regarded independent accountancy practice based in the heart of Bristol. Our diverse client base includes some of the brightest organisations and we offer a broad range of services to enable them to flourish. We work with Bristol's thriving tech cluster, smaller and medium-sized enterprises, and charities & other not-for-profit organisations.

We are looking to recruit an Audit Semi-Senior to join our expanding Audit & Assurance team. Our firm continues to grow, and our team is the key to that success. Future growth will mean great opportunities for the right candidate, and so this role will suit someone who wants to develop their career working with Bristol's smartest businesses. The successful candidate will have the opportunity to lead some projects, sometimes reporting to Partner, so this role may suit someone who is looking for more responsibility.

We believe in investing in our people, offering opportunities for career advancement for all experience levels. We provide a supportive and collaborative work environment that fosters growth, creativity, and innovation. If you are looking for a challenging and rewarding career in accounting, Corrigan is the perfect place for you.

A large part of the role will consist of statutory audit and other assurance work for a portfolio of clients, but we are interested in hearing from candidates with a mixed experience of accounts and audit work. There will be the opportunity to take on other responsibilities in addition to audit and assurance work.

We would be delighted to hear from you if you have:

- The drive to develop in a growing firm
- Studying towards ACA/CA/ACCA or equivalent
- 18 months+ of audit experience, and great technical knowledge (principally UK GAAP and the UK Auditing Standards, but IFRS experience is also relevant)
- Excellent communication skills
- Enthusiasm for coaching and developing junior staff
- A proven ability to deliver excellent client service

In return we offer:

- Competitive salary, dependent on your experience, with regular reviews
- Study support including registration, tuition & exam fees, as well as training materials and time off for study
- 20 days holiday plus bank holidays and the option to purchase 5 additional days
- Pension scheme membership (including employer's contributions to the scheme)
- Healthcare membership including free physiotherapy, access to mental health support and online GP appointments
- A contemporary working environment in a central Bristol location, with a secure bike store and modern showers
- Flexible working practices
- A cycle to work scheme
- Opportunities to use working hours to undergo voluntary work in the local community

- Regular social events

Job Type: Full Time.

Applications: please email your CV and Cover Letter to careers@corrigan.co.uk
