

Corporate Finance Manager

About the job

This is an outstanding opportunity to join our Business Advisory team, working with an experienced set of partners to develop and expand our corporate finance offering to a diverse range of entrepreneurial clients.

Advising on business disposals, acquisitions, valuations, business planning and funding you will be able to make your mark in a successful growing practice.

We are keen to hear from you if you have corporate finance experience or see this as an opportunity to specialise in the field. We will provide full training and support so the role could also suit a recently qualified ACA/ACCA or similar ready to step up to a manager role.

There are great prospects for someone who embraces our "can do" attitude and is keen to play a part in the future development of the practice.

The role

- Working on assignments such as MBO's, valuations, shareholder changes, business disposals, acquisitions, due diligence work and similar.
- Dealing with new business enquiries to analyse clients' needs and put together proposals incorporating the work of different teams in the practice
- Develop the relationship with our growth oriented client relationships to ensure we are supporting their ambitions with timely advice and service
- Assist clients in the preparation of business plans, projections and forecasts
- Develop and enhance the profile of the practice across within the business community particularly our corporate finance offering

What we are looking for...

- Qualified ACA/ACCA or similar qualification with a minimum of 3 years working/training in practice in a business advisory/corporate finance/accounts/audit environment
- Strong academic credentials
- Good communicator who can keep who can hold the confidence of clients and staff alike
- Good team player keen who can balance the demands of the role with other priorities and demands.

In return we offer...

- First class remuneration package including pension and health care
- Superb city centre offices
- Flexible working
- A small friendly team with regular social events
- Excellent training and career prospects
