## TAX SENIOR

Corrigan is a dynamic, independent and highly regarded accountancy practice based in the heart of Bristol. We provide tailored tax services for individuals, families, and business owners across a wide spectrum of circumstances.

Our clients include high-net-worth families, startup founders, angel investors, sole traders, landlords, farmers and internationally mobile individuals. We also act for Trusts, Estates, and Partnerships, offering practical advice grounded in commercial reality.

We work closely with our accounts and corporation tax teams to ensure seamless advice for clients whose business interests we also look after, as well as with financial advisers, investment managers and lawyers to ensure our clients' affairs are considered holistically.

We are looking to recruit a Private Client Tax Senior into our expanding Tax team. Our firm continues to grow and our team is the key to that success. Future growth will mean great opportunities for the right candidate, and so this role will suit someone who wants to engage with the Bristol professional community and build lasting relationships with clients.

We believe in investing in our people, offering opportunities for career advancement for all experience levels. We provide a supportive and collaborative work environment that fosters growth, creativity, and innovation. If you are looking for a challenging and rewarding career in tax, Corrigan is the perfect place for you.

Specific responsibilities include but are not limited to:

- Proactively manage a portfolio of clients with the support of the management team.
- Meet clients and correspond with them directly.
- Completion of self-assessment tax returns.
- Completion of 60-day capital gains tax returns for sales of residential property.
- Dealing with HMRC enquiries and disclosures.
- Providing tax advice to our clients on a regular basis, for example: remuneration planning for company shareholders and directors, reviewing pension contributions which could be made and making the optimum EIS/SEIS relief claims.
- Working alongside the Tax Partner and management team in tax advisory projects, for example: exit planning for founders, expert witness reports and Capital Gains tax calculation for use in family/divorce proceedings, UK tax residence advice, as well as Inheritance Tax quantification and succession planning.
- Involvement in Business Development initiatives, including for example drafting articles for our website.
- Opportunities for involvement in our People-Steering or Social Committees which play a fundamental role in maintaining our culture at Corrigan.

We would be delighted to hear from you if you have:

- A proven ability to deliver excellent client service.
- The drive to develop in a growing firm.
- An ATT/CTA/ACA qualification.
- 2+ years of tax experience, and great technical knowledge.
- Great communication skills.
- The ability to coach and develop junior staff.

In return we offer:

- Competitive salary, dependent on your experience, with regular reviews
- 25 days holiday plus bank holidays and the option to purchase 5 additional days
- Pension scheme membership (including employer's contributions to the scheme)
- Healthcare membership including free physiotherapy, access to mental health support and online GP appointments
- A contemporary working environment in a central Bristol location, with a secure bike store and modern showers
- Flexible working practices
- A cycle to work scheme
- Opportunities to use working hours to undergo voluntary work in the local community
- Regular social events
