

Tax Assistant Manager (Corporate & R&D)

Are you recently qualified, wanting more responsibility and progression?

We are looking for a quick learner with the ability to build great client relationships.

Corrigan is a growing independent practice in Bristol with an interesting client base, great staff and superb city centre offices.

A key area for the tax team is advising its growing portfolio of high growth businesses in the technology and deep tech sectors. This includes advising on and assisting with the preparation of the R&D claims and keeping our clients up to date with the ever-changing rules. There is a huge opportunity to grow with the work and develop your career.

Our people have a real impact on how we work and have a big say in how their roles develop. As a smaller firm, we focus on exceptional client service and on continuous improvement.

Specific responsibilities include but are not limited to:

- Preparation and review of R&D claims including proactive advice and planning in this area
- Manage a portfolio of clients, while reporting to senior tax managers and partners
- Assistance with the preparation, review and submission of corporate tax returns
- Assistance with corporate tax planning
- Communicating changes in tax legislation to clients
- Train and develop tax team members, giving regular briefings and reviewing work
- Business development activities to help with the growth of the tax portfolio of the Firm

We would be delighted to hear from you if you have:

- An ACA / CA / ACCA / CTA qualification
- Corporate tax experience
- Excellent communication skills – ability to build client relationships and to coach and develop staff
- The drive to develop in a growing firm

In return we offer:

- Competitive salary, dependent on your experience, with regular reviews
- 25 days holiday plus bank holidays and the option to purchase 5 additional days
- Pension scheme membership (including employer's contributions to the scheme)
- Healthcare membership including physiotherapy, mental health support and GP appointments
- A contemporary working environment in a central Bristol location, with bike store and showers
- Flexible working practices
- A cycle to work scheme
- Opportunities to use working hours to undergo voluntary work in the local community
- Regular social events
